

From Community Building Partners, on behalf of the Survivor Advocacy Outreach Program

Qualified Vendors Architectural/Engineering Services

April 26, 2024

RE: RFQ - Architecture and Engineering SAOP

We are pleased to announce that, as a result of our evaluation of the proposals received in response to the above-noted RFQ, the following firms will be contacted to begin negotiations when projects arise:

- DLZ Ohio Inc.
- BDTAID, Inc. (BDT)
- Breech Engineering
- Vialacity

Acceptance into the Qualified Pool only signifies an entity as prequalified and does not obligate Community Building Partners or Survivor Advocacy Outreach Program to a minimum annual spend or usage. Contracts will be issued on a case-by-case basis as the project needs occur. Community Building Partners or Survivor Advocacy Outreach Program may use the qualified pool to make direct appointments, obtain quotes, conduct interviews, or request presentations depending on the nature and requirements of the project. Community Building Partners or Survivor Advocacy Outreach Program may disqualify an individual or firm from the Qualified Pool if it is determined an unsatisfactory condition exists and the individual or firm is non-responsive or effortless in remedying the situation.

Celestia Helbrede will continue to be the contact person moving forward; Celestia is the Project Manager at Community Building Partners. Celestia's email address is Celestia@praxia-partners.com.
